SICK CALLS

Call a priest as soon as a person is seriously ill. Do not wait until the last moment. Sacraments give spiritual life and peace of mind and heart, and frequently health of body.

SACRAMENT OF BAPTISM

Arrangements for the baptism of an infant should be made during the week preceeding the Sunday of the baptism.

If child is weak or sick—at anytime.

Godparents for this Sacrement should be Catholics who have made their First Holy Communion, been Confirmed and are practical Catholics.

SACRAMENT OF MATRIMONY

Arrangements for marriage should be made at least a month before date set for marriage. Banns are to be published in the respective parishes of the engaged couple. Only by dispensation of the Bishop may banns be omitted.

The engaged couple should bring with them Baptismal, First Holy Communion and Confirmation records.

The Church recommends and urges that the Sacrament of Matrimony be administered in conjunction with the Nuptial Mass. Afternoon weddings, although permitted by the church, are not recommended. Catholics should **be** married at Mass.

EASTER DUTY

Every Catholic is obliged at least once a year to receive the Sacrament of Penance and the Sacrament of the Holy Eucharist, under pain of mortal sin. This duty should be fulfilled in ones own parish or, with permission of the pastor, in some other parish.

The time for satisfying this obligation begins on the Sunday after Ash Wednesday and ends Trinity Sunday.

Anyone who deliberately fails to perform his Easter duty excludes himself from the Church and ceases to be an active, living member. So fulfill this duty in your own parish. Receive the Sacraments, not only because duty urges you only once a year, but go frequently because of your love of God, and **of** your Church, and the sanctification of your soul.
