RE: "BEAT THE LOTTO "RAFFLE

Dear Parents,

The "LOTTO" Committee will soon be gearing up to start our 12th annual raffle. As in the past, each school family is required to buy or sell at least ONE (1) TICKET to help raise funds for our school.

Due to the change of the "Book Day" procedure, we, the Lotto Committee will be getting your ticket to you by sending it home with your oldest (or only)child during the first week of school this Fall. Please watch for it at that time. You will also receive information on how/when additional tickets will be made available to families who help out by selling more than one ticket.

Thank You for Your Support,

Your Beat the Lotto Committee
